

FIRST FAMILIES OF ALABAMA NAMES INDEX

First Families of Alabama is a certificate program offered by the Alabama Genealogical Society to its members and is designed to identify and honor the memory of early residents of the state of Alabama. Early residents are those settlers who resided within the present boundaries of Alabama prior to statehood, 14 December 1819.

This index of names from the FFA registry points to certificates by number as of September 25, 2017 (certificate #424). The full name printed in bold is the qualifying ancestor registered to the certificate holder.

The numerical list of the certificates with the AGS member applicant can be found on the web at <<http://www.algensoc.org>> (click the FFA link).
