

ABOUT THE AGS NEWSLETTER INDEX

WHAT AM I LOOKING AT?

The index as viewed here shows a list of AGS newsletters that have been archived each in PDF format. Click on a listing to open it for reading, printing or to download.

HOW DO I KNOW WHAT ISSUE IS FROM WHEN?

The name (example "14-3.pdf") is in the format yy-n where yy is the last two digits of the publication year (in the example that would be 2014) and the n is this issue number (3 would be the 3rd issue, or the Fall issue).

WHY DOES THE DATE IN THE "LAST MODIFIED" COLUMN NOT MATCH THE DATE OF PUBLICATION?

For technical reasons the original file copy has been re-compiled. No content, style or design has been changed.
