“GENEALOGICAL RESEARCH ON ANCESTRY.COM”

March 18, 2023

Moody Civic Center | 200 Civic Center Drive
Moody, AL 35004

FEATURED PRESENTER JENNIFER UTLEY

JENNIFER UTLEY
Executive Story Producer,
Ancestry

Jennifer oversees the story production and family history research for the Ancestry marketing team and for all Ancestry-sponsored television shows including, *Who Do You Think You Are?* (US), *Long Lost Family* (including genetic research) and *Roots Less Traveled*. Her research specialties include genetic genealogy, descendancy research, all things Ancestry, and finding amazing stories in family trees. In researching her own family tree, she is currently working on tracing all the female descendants of her 4th great-grandmother on her maternal side.
